IMMIGRANT FOOD

WHAT'S IMMIGRANT FOOD?

At iFood, we eat the way the world eats. Our fresh, creative dishes reflect how we see America at its core, and at its best – diverse, nourishing and welcoming.

Chef Enrique Limardo's inspirations are culinary representations of that immigrant diversity. Our bowls, salads and sandwiches are fusions and mixes; they're fun, healthy, and deliciously unique. We also have a selection of wines and beers from interesting and unique regions of the world.

Restaurants have been the place where immigrants made a living and showed off their heritage. We're taking it a step further and also making this a platform to advocate, hold events and educate about immigration. We call it *gastro-advocacy*.
